

Chemists And Two Alleged Pals Face Charges Of Theft

NEW YORK, June 2.—News of the arrest Sunday in Nashville, Tenn., of H. B. Crone, chief chemist of the Old Hickory powder plant, in connection with wholesale platinum thefts from the government, was followed here yesterday by announcement that the district attorney of New York county would deliver to federal agents two men until now held for an alleged platinum robbery in Perth Amboy, N. J. Robert Brown, alias Robert E. Carter, and Joseph Frederickson, recently were indicted on charges of grand larceny in the belief that 280 ounces of powdered platinum, said to have been found in their hotel room here, had been stolen from the Roesler-Hasslach company, of Perth Amboy, N. J.

Now, according to Assistant District Attorney Sheridan, in view of an alleged admission by Brown regarding thefts of \$1,800,000 worth of platinum from the government, both are to be delivered to federal officials.

At the time of their arrest last April, the men declared they had mined the metal in Canada. After they had been locked up in the Tombs, Sheridan said, Brown induced Joseph Weller, another prisoner, to write to his wife, asking her to go to Nashville, Tenn., and get in touch with Crone's assistant.

This letter was intercepted. It was said to have directed Mrs. Weller to get \$20,000 from Crone and to bring it to Crone to cover the bail here of Brown, who, officials in Tennessee have asserted, once was Crone's assistant.

Sheridan said that when the men have been turned over to the federal authorities, the indictment against them here may be dismissed as it seems they did not commit the theft at Perth Amboy.

JONESBORO WOMAN IS STRUCK BY LIGHTNING

JONESBORO, Ark., June 2. (Sp.)—Mrs. Childers, age 54, was struck by lightning yesterday while standing under a tree near the Cotton Belt bridge, six miles from this city. The bolt ran down the tree, struck her and, passing through her body, tore the shoes off of her feet.

She was thought dead by parties who reached her, but revived in a few minutes. A physician was called and she was placed in St. Bernard's hospital in a very serious condition with little hope for her recovery.

Mrs. Childers came out upon the road to meet the postman and when the shower came ran under the tree for shelter and was standing with her hand against the tree when the lightning struck. Most of her clothing was torn off and her body badly burned.

MEREDITH REFUSES TO CUT WHEAT STANDARDS

WASHINGTON, June 2.—Continuation of present federal wheat standards was decided upon today by Secretary Meredith in an opinion covering hearings held to inquire into dissatisfaction in the central northwest with existing grades for hard red spring and durum wheats. Requests for lowering the present standards, the secretary announced, would tend to decrease the return to farmers, while advocates of the change argued that the producer would receive more money for his wheat.

CAR OF HOGS SHIPPED.

SENATOBIA, Miss., June 2. (Sp.)—Another co-operative shipment of hogs was made yesterday by County Agent F. A. Rew, for the farmers of the county. This car of hogs was consigned to Memphis, where all of the live stock from this county is now being shipped. Last week Mr. Rew received a nice price from a car of cattle shipped for the farmers of the county to Memphis. This will be the last car of hogs shipped by Mr. Rew until the fall season.

FEDERAL PRISONERS SAW BARS OF PENITENTIARY

ATLANTA, Ga., June 2.—Eight prisoners escaped from the Atlanta federal penitentiary yesterday by sawing their way out of a cell block. It was announced at the penitentiary.

Three of the men were recaptured soon after they got out and search was instituted at once for the others. All the men were said to be serving long terms. Investigation also was begun to ascertain how saws reached the prisoners.

Two of the five men who are still at large had escaped before. Rector Sherrill and John Duffey, having gotten away from the Atlanta penitentiary last year and remained at liberty about two months. The other three men who got safely away were Richard F. Dodge and Orville Harry Cook and Thurman H. Brown, the latter a negro. Rewards of \$50 each were offered for the arrest of the men.

Prisoners working on the penitentiary's honor farm first gave the alarm as they saw the men in blue denim leaving the grounds.
